

# TechCorp Inc. — Annual Financial Report 2023

This report presents TechCorp Inc.'s financial performance for the fiscal year ending December 31, 2023. TechCorp is a leading provider of enterprise software solutions headquartered in San Francisco, California, with operations in 42 countries.

## 1. Executive Summary

TechCorp delivered record revenue of \$8.4 billion in fiscal year 2023, representing 18% year-over-year growth. Net income reached \$1.2 billion, up from \$890 million in 2022. The company surpassed 50,000 enterprise customers for the first time and expanded its cloud revenue to represent 67% of total revenue.

CEO Sarah Chen commented: 'Our strong performance reflects the continued shift to cloud-based enterprise software and the growing demand for AI-powered business tools. We remain confident in our long-term growth trajectory.'

## 2. Financial Highlights

| Metric              | FY 2023 | FY 2022 | FY 2021 | YoY Growth |
|---------------------|---------|---------|---------|------------|
| Total Revenue       | \$8.4B  | \$7.1B  | \$5.9B  | +18.3%     |
| Cloud Revenue       | \$5.6B  | \$4.2B  | \$3.1B  | +33.3%     |
| Net Income          | \$1.2B  | \$890M  | \$720M  | +34.8%     |
| Gross Margin        | 72.4%   | 70.1%   | 68.5%   | +2.3pp     |
| Operating Cash Flow | \$1.8B  | \$1.4B  | \$1.1B  | +28.6%     |
| R&D Spending        | \$1.05B | \$890M  | \$710M  | +17.9%     |
| Employees           | 24,800  | 21,200  | 18,500  | +17.0%     |

## 3. Revenue by Segment

TechCorp operates across three main business segments: Enterprise Cloud Platform, Data Analytics, and Professional Services.

| Segment                   | Revenue | % of Total | Growth |
|---------------------------|---------|------------|--------|
| Enterprise Cloud Platform | \$5.6B  | 66.7%      | +33%   |
| Data Analytics            | \$1.9B  | 22.6%      | +12%   |
| Professional Services     | \$0.9B  | 10.7%      | -3%    |

## 4. Geographic Performance

North America remains TechCorp's largest market, accounting for 52% of revenue. Asia-Pacific showed the strongest growth at 31% year-over-year, driven by expansion in Japan, South Korea, Australia, and India.

| Region               | Revenue | Growth | Key Markets             |
|----------------------|---------|--------|-------------------------|
| North America        | \$4.37B | +14%   | USA, Canada             |
| Europe               | \$2.18B | +19%   | UK, Germany, France     |
| Asia-Pacific         | \$1.34B | +31%   | Japan, Australia, India |
| Latin America        | \$0.34B | +22%   | Brazil, Mexico          |
| Middle East & Africa | \$0.17B | +28%   | UAE, South Africa       |

## 5. Strategic Priorities for 2024

AI Integration: TechCorp will invest \$500 million in embedding AI capabilities across its platform suite. The company's TechCorp AI Assistant, launched in Q3 2023, already has over 8,000 enterprise customers.

Market Expansion: The company plans to enter five new markets in Southeast Asia and Africa. A new regional headquarters will open in Singapore in Q2 2024.

Acquisitions: TechCorp completed three acquisitions in 2023 totalling \$1.8 billion. The largest was DataStream Analytics for \$1.1 billion, which strengthened the company's real-time data processing capabilities.

Sustainability: TechCorp achieved carbon neutrality for its own operations in 2023 and has committed to net-zero across its entire value chain by 2035.
